

Aero Dynamo

Real Name: Ava Rodriguez

Powers: - **Aerokinesis:** Aero Dynamo can control and manipulate air currents, creating powerful winds, tornadoes, and vacuums. She can also use her powers to fly. - **Weather Sense:** She can sense changes in the atmosphere, allowing her to predict the weather with perfect accuracy. - **Sound Manipulation:** She can manipulate sound waves, creating sonic booms and focused sound blasts.

Origin: Ava Rodriguez was a meteorologist who was caught in a freak atmospheric event that gave her control over the air. She now uses her powers to protect the skies as Aero Dynamo.
